Student Accounts Office Information

TUITION PAYMENT POLICY

The Student Accounts Office is responsible for the billing and collection of tuition and fees. Tuition and fees are due and payable on or before the first scheduled day of class. **Satisfactory payment arrangements must be established to avoid a \$150.00 late fee.** Satisfactory payment arrangements include payment in full (Medaille College accepts payment by cash, check, money order, Master Card, Visa, Discover Card or American Express), **COMPLETION** of financial aid/student loans, satisfactory documentation of employer reimbursement or enrollment in the monthly payment plan through Tuition Management Systems. A combination of payment arrangements may be utilized. Please be advised that prior semester balances cannot be carried over to the next semester and will *prohibit* a student from registering for the next semester, receiving his/her grades, transcripts or diploma.

Students who owe a balance or whose financial aid has not been completed and are not registered with TMS will be expected to pay the balance of their tuition in full (minus any financial aid). *Students opting to pay their tuition in full, rather than utilizing the TMS payment plan, and who fail to make their payment by the due date will be assessed a \$150.00 late charge.*

Tuition Management Systems

Should a student need to establish a monthly payment plan, he/she would need to do so through Tuition Management Systems (TMS), an outside payment arrangement service. TMS is an interest free monthly payment option with an annual enrollment fee of \$70.00 or a \$50.00 enrollment fee for the semester-based plan. A student's expenses are broken out over the academic period in which he/she is/will be enrolled. For example, *if a student anticipates attending for the academic year, his/her budget would be estimated based on the Fall and Spring semesters and he/she would be eligible for a nine or ten month payment plan.* The term of the payment plan would be based on the date of registration and limited to offered plan options. **Students are responsible for establishing the proper budget based upon the cost of attendance and financial aid/loans if applicable.** Students should contact the Medaille College Student Accounts Office at (716) 932-2607 for additional information or for help in determining their budget. **All scheduled payments must be made to TMS until the financial aid/loans are guaranteed.** TMS is not available for summer semesters.

Employer Reimbursement

Students who receive tuition reimbursement from their employers must still make satisfactory payment arrangements as outlined above. Employer reimbursement is an arrangement between the student and his/her employer; Medaille College cannot defer course charges based on this arrangement. The status of the employer payment is the student's responsibility. Students who will be reimbursed must submit a copy of their

employer's reimbursement policy and a letter stating they are eligible for the program.

Accessing your account

Students can access their student account by logging onto the Medaille One website at <https://one.medaille.edu/cp/home/displaylogin>. At this website students access their grades and their student billing account.

When students log on the first time for each semester they will need to accept the Medaille College Payment Arrangement Agreement. Please read this form carefully as it explains the payment policy, late fees and collection expenses. **The Payment Arrangement Agreement must be accepted to proceed into the student's account.** Without accepting the payment agreement students will not be granted access to their class schedule, grades or student billing information.

Past due accounts

A hold will be placed on any past due account, prevent a student from being registered for future classes, viewing grades, receiving transcripts, or acquiring a diploma. Transcripts will not be released until the balance is paid in full.

Making payments

Medaille College accepts payment by: cash, check, bank draft, money order, and credit card (American Express, MasterCard, Visa and Discover). Credit card payments can be made via your MedailleOne account. Checks should be made payable to Medaille College. If paying in cash, correct change is appreciated.

If paying by check, money order, or bank draft please be sure that your name and student ID number are on the check. We cannot post a payment to an account if we do not know to which account it should be posted.

Payment can be made via your MedailleOne account, with a credit card. Checks or money orders can be mailed directly to the Medaille College Student Accounts Office, 30 Wilson Road, Williamsville, NY 14221. If payment is received after the due date you will be subject to the \$150.00 late fee.

To get an invoice for employer tuition reimbursement

Call the Student Accounts Office at (716) 932-2599. Invoicing is only done by request.

Please contact the Student Accounts Office at (716) 932-2599 with any questions regarding this payment policy.

Appointment to the Campus Judicial Board

A selection committee established by the C.S.A.O., which shall be representative of the College Community, shall make recommendations for appointment to the Campus Judicial Board at the beginning of the Fall and Spring Semesters.

4. Date of the hearing

5. Place of the Hearing
6. Signature of the C.S.A.O.

Hearing Format

The Campus Judicial Board, under the direction and advisement of the C.S.A.O./designate, does not function as a civil or criminal court of law but rather as a formal hearing board. Therefore, legal technicalities are kept to a minimum while an emphasis is placed upon maintaining the interdependent network of rights and responsibilities between the individual student and the College. Hearings held by the Campus Judicial Board are oriented towards the achievement of an understanding among all parties involved. Within this conceptual framework, the legal doctrine of procedural due process is operationally defined as fundamental fairness. Thus, the judicial system works to ensure that there is fundamental fairness throughout the disciplinary process, i.e., sanctions and the right to appeal.

The Judicial Board shall adhere to the following format for all hearings:

1. The Coordinator shall introduce the members of the Board, and request the names of all persons present at the hearing. The Coordinator shall then explain the procedure to be followed if there are any questions. Minutes of the hearing will be made..
2. The Coordinator will read the charges being filed against the student, and will ask the accused to respond with respect to the charge of guilt or innocence. The accused student and the complainant will both be asked to give their accounts of the incident.
3. The Coordinator will ask the party filing charges if they have any additional information or clarification.
4. Witnesses for both sides will be asked to give their account of the incident or alleged policy violation.
5. At the conclusion of the two presentations both of the parties involved will be free to ask questions of the parties involved or any witnesses.
6. Board members reserve the right to ask questions or clarification at any time during the course of the hearing.
7. When all aspects of the case have been discussed to the satisfaction of the parties involved, the Coordinator will ask all people to leave the room, except for the Board members.
8. During deliberations, the Board will first decide whether or not the accused student is guilty of the charges as indicated. If guilty, the student will be sanctioned in accordance with the sanctions stated under College Sanctions.
9. Both parties will be asked to return to the room, and the decision will be read. In the case that further reflection is needed before a decision is rendered, the hearing officer/coordinator will contact the parties and inform them of the decision once one has been reached.

Final Adjudication

The Campus Judicial Board in its deliberations shall consider only relevant evidence presented at the hearing. The adjunction shall be sent to the C.S.A.O. for a decision. It shall then be sent in letter form to the accused student, and shall set forth:

1. Name of the parties
2. Date of the hearing
3. Offenses involved
4. Finding of fact
5. Recommend sanctions
6. Signature and Approval of the C.S.A.O.

1. Disciplinary Warning – a written statement to a student that the student is violating or has violated institutional regulations, and that the continuation of such conduct will not be tolerated. The fact that a

After reviewing all material and arguments relevant to the appealed case, the Review Board may choose one of the options:

1. The decision of the initial hearing board should be upheld, and the sanction should be implementing as recommended.
