

**Subject Line: COVID-19 Testing This Friday, 3/26/21 - Mandatory for Resident Students
Sent to All Buffalo Campus Students: March 22, 2021**

This message is sent to all Buffalo campus students and copied to all faculty and staff:

Dear Students:

This email is two-fold.

- There will be a rapid testing clinic on campus this **Friday, March 26 between 7:30am-1:15pm** in the Events Arena. **All resident students *must* participate**; commuter students are strongly encouraged to do so as well. Please schedule using this link: <https://medaille.forms-db.com/view.php?id=167989>. Resident students who do not participate in this testing will have their access to both the halls and dining turned off.
 - Please note:
 - All student-athletes who reside in the halls are required to participate in this testing date, regardless of other athletic department testing this week.
 - Students who have tested positive for COVID-19 in the last 90 days are required to still complete the info in the link. Our Wellness Center will follow-up with you if we do not have your positive result on file.
 - Students will not need to wait for their results. Any student that tests positive will be contacted with next steps via phone.

- Please be reminded of the College's protocol to be followed for close contact and positive test results. The following links must be completed immediately when these occur. Please also know that the College receives confirmation from the respective health departments for students that indicate they are in close contact and positive. Students are expected to be in class unless they complete the below links and provide the supporting documentation which is tied out with the respective health departments.
 - Close Contact: <https://connect.medaille.edu/idp/profile/cas/login?execution=e1s1>
 - COVID Positive Form: <https://medaille.forms-db.com/view.php?id=139332>

We have done extremely well this semester and have just over a month to the finish line! Please continue to be vigilant, schedule your test for Friday, and with the nice weather upon us, please enjoy as many activities outside as possible.

See you Friday!
